

# PHYRIS

PREMIUM SPA COSMETICS

Augsburg - Germany

In the distant past the PHYRIS Head Office was in the family.... but as a 'mill'

Looking much the same on the outside but now, from the inside, a worldwide enterprise 'Phyris Premium Spa Cosmetics'

A section of Phyris manufacturing / research plant (note the 'Aussie' Flag)

Vera & Les in the main entrance to the Phyris Head Office April 2009

Vera being dressed for a tour

Product and requirements for manufacturing are planned 6 weeks in advance

One of the research laboratories testing future products... where it all begins

Manufacture of Wheat germ - a proven method, standing the test of time

The Phyris 'Kitchen' brewing another batch

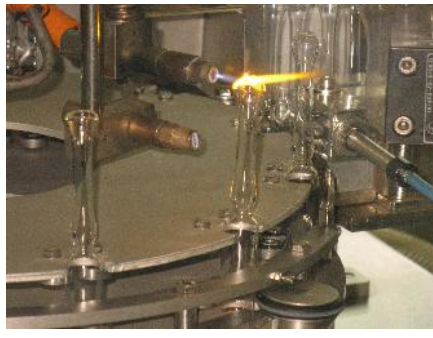

A tub of Golden Gel ready to be bottled

Filling 'New Generation' Ampoules

New Generation Ampoules filled & ready to be packaged

Production and then quality control

Filling samples

Product:- Will be bottled, boxed with instructions for retail sale and delivery

Product:- complete, ready, waiting for storage and delivery

Products stored in a fully automated, constant temperature warehouse.

Now for some training updates

Just 1 of the training rooms
