

LUXESSE REFILL

Features and benefits

With its triple effect, this soft and creamy structuring care fulfills the exclusive needs of all demanding skins by guaranteeing short-term, medium-term and long-term results.

- The precious extract of Tahiti's South Sea pearls makes the skin silky soft, smoothens the skin's relief and lastingly binds moisture. The skin is given a delicate pearly shimmer and looks balanced and harmonious.
- Para cress extract noticeably relaxes the skin and visibly reduces mimic lines.
- The skin's own lipid synthesis is stimulated by the active ingredients of Southernwood extract. This noticeably improves skin thickness, firmness and moisture-binding capacity.
- Hyaluronic acid and precious oils complete the care experience.

For a youthfully radiant and smooth skin.

Highlight active ingredients: South Sea pearl extract, Para cress extract, hyaluronic acid, Southernwood extract, passionflower oil

Suitability

Skin condition			Skin type		
Normal	Sensitive	Stressed with fine lines	Rather oily	Combination skin	Rather dry

LUXESSE REFILL

Application

Home use (45 ml item no. 7881)

In the morning and evening, after cleansing and application of SOMI and eye care, apply a hazelnut-sized amount of LUXESSE REFILL to face, neck and décolleté.

Salon use (125 ml item no. 38301)

Apply a hazelnut-sized amount of LUXESSE REFILL as final care – after SOMI and LUXESSE VISION EYE LIFT – to face, neck and décolleté.

Tip

Thanks to its soft texture, LUXESSE REFILL is highly suitable for dry or combination skin.
