HYALURON SUPER MOIST

MOISTURIZING SERUM

The light, non-oily moisturizing serum uses filler hyaluronic acid to instantly pad out wrinkles and fine lines caused by dryness and provide noticeable relaxation. Timed release hyaluronic acid has a long-term effect and gradually releases its moisture over the course of several hours. HYALURON SUPER MOIST feels refreshingly gentle on the skin.

HYALURON DEPOT

MOISTURIZING SERUM MASK

The particularly soft moisturizing serum mask uses filler hyaluronic acid to instantly pad out wrinkles and fine lines caused by dryness and provide noticeable relaxation. Timed release hyaluronic acid gradually releases its moisture over the course of several hours.

VITAMIN FLASH

VITALIZING SERUM

Light as a feather serum that instantly invigorates the skin and provides it with a feeling of freshness. A nano-encapsulated vitamin cocktail protects the skin for many hours against free radicals and thus slows down the signs of light-induced skin aging. In the international cosmetics industry, the active ingredient Q10 is well known for improving the cells' absorption of oxygen. Vitamin C firms the connective tissue.

PEPTIDE RELAX-LIFT

RELAXING SERUM

The serum shimmers like mother-of-pearl and its anti-aging system instantly reduces mimic lines. Argireline, the precious high-tech peptide with a relaxing effect, externally smoothens existing fine lines and wrinkles. A liposomally encapsulated triple peptide lastingly improves the skin's renewal process.

PEPTIDE DEPOT

LIFTING SERUM MASK

The silky, firming serum mask instantly reduces mimic lines. Argireline, the precious high-tech peptide with a relaxing effect, externally smoothens existing fine lines and wrinkles. A liposomally encapsulated triple peptide lastingly improves the skin's renewal process.

RETINOL ANTI-AGE

SMOOTHING SERUM

The silky shimmering serum provides intensive moisture and instantly smoothens the skin. Extensive, scientific studies prove that retinol in its liposomally encapsulated form lastingly combats the formation of fine lines. The skin's moisture reservoirs are replenished and fine lines caused by dryness are reduced. The result is a youthfully smooth skin.

RETINOL DEPOT

ANTI-AGE SERUM MASK

The soft anti-aging serum mask instantly smoothens the skin. Retinol in its liposomally encapsulated form lastingly combats the formation of fine lines and results in significantly more resilience. In addition, the skin's moisture reservoirs are replenished and fine lines caused by dryness are reduced.

COLLAGEN FILLER

FIRMING SERUM

The collagen intensive serum instantly tackles the typical changes of mature, tired skin and rapidly results in tighter contours. Collagen, an important component of the connective tissue, lastingly improves the skin's elasticity and firmness and is capable of restructuring the connective tissue. The collagen contained in TIME RELEASE is of a maritime origin.

COLLAGEN DEPOT

FIRMING SERUM MASK

The particularly gentle, firming serum mask instantly tackles the typical changes of mature, tired skin and rapidly results in tighter contours. Collagen, an important component of the connective tissue, lastingly improves the skin's elasticity and firmness and is capable of restructuring the connective tissue.

CERAMIDE REPAIR

REGENERATING SERUM

The rich serum repairs the skin's own barrier in a flash and makes the skin feel better. Ceramides and soybean extract prevent moisture loss, the skin's lipid barrier is stabilized and the epidermis is strengthened. A liposomally encapsulated Vitamin B complex acts as a radical trap and thus prevents premature skin aging and environmental stress. The skin's lipid film is lastingly regenerated.
