

FACE	CELL REFILL	CONSULTANCY
PHYRIS SUCCESS CONCEPT CONSULTING time 10 minutes	Customer's wish Skin demands/Diagnosis Care program	... to ask for ... to observe ... to arrange
Home Care	Milky Cleanser	Gentle cleansing milk for dry skin. Cleanses efficiently and leaves skin feeling silky. <i>Silk proteins</i>
	SOMI	Depending on customer's needs, activates receptiveness, resistance, or metabolism of the skin.
	PEA Eye & Lip	Firming anti-aging care for the eye and lip areas. Reduces wrinkles with the Soft Focus effect and gives skin a radiantly beautiful look. <i>White tea/ Argireline/ Soft Focus</i>
	PEA CELL REFILL	This gentle cream used during the day or night intensively stimulates natural cell renewal, regenerates the skin structure, and supports the formation of elastic fibres. It corrects deficits caused by hormonal imbalances and improves the thickness and strength of the skin. <i>Phyto-Cell Essence / DNA Repair Complex</i>
Intensive care / Supplement	PEA Time Defense Mask	Rich anti-aging mask with <b>Defense Complex</b> protects against environmental stress, stimulates regeneration, and provides the skin with lipids and moisture. For harmonized skin. <i>White tea / Silk protein / Hyaluronic acid</i>
or	PEA Magic Caps	Regenerative, rich, high-tech concentrate gives the skin a unique silky feeling. Improves the skin's structure and regenerative ability. Firmer contours and more elasticity for velvety smooth-looking skin. <i>Vitamin C / Yam extract</i>

FACE	CELL REFILL	TREATMENT
time 85 minutes	<i>CELL REFILL is an exclusive intensive treatment with a warming, highly efficient Thermo Lift Modellage. Fine lines are reduced. The firmness and elasticity of the tissues are improved and skin looks much younger. Lifting treatment with long-lasting effects for all skin lacking elasticity and firmness.</i>
